I just tore thru We Have Contact (The Kurtherian Gambit Book 12), and it's another satisfying read. Plot threads that had dangled were resolved even as new plot trajectories were introduced. Anderle's writing keeps improving - it's more polished, more cohesive - even as he's retained his own singular scattershot style.

We Have Contact The Kurtherian Gambit Book 12

We Have Contact (WhC) is by far the best of the series since Kneel Or Die was released. While there were a lot of PoV changes, they started to make sense as I read further in to the book. The previous 3 titles in the series have been to my mind a bit choppy in the story telling and WhC started off this way a bit as well.
