Web Style Guide, 3rd edition : Patrick J. Lynch ...

So far, I am pleased with the third edition of the Web Style Guide by Patrick J. Lynch and Sarah Horton. It is well organized and written in such a way that both the novice and the expert website designer can read it and gain helpful information. The language level is not too "techie" for the novice and is not condescending for

the expert.

A powerful aspect of computing technology is the ability to combine
text, graphics, sounds, and moving images in meaningful ways. The
promise of multimedia has been slow to reach the web, primarily
because of bandwidth limitations. But in today ' s web
environment, multi- media is firmly established as a viable means
for delivering content.
