Immigration's Effects on Jobs
and Wages: First Principles**

What impact does immigration have on the U.S. economy? Economic theory points to possible effects on the employment and wages of domestic workers, U.S. trade with other countries, the size and growth rate of the economy, and the prices that Americans pay for goods and services.

Welfare Effects Of Illegal Immigration

This paper analyzes the welfare effect of illegal immigration on the host country within a dynamic general equilibrium framework and shows that it is positive for two reasons.

First, immigrants are paid less than their marginal product, and second, after an increase in immigration, domestic households find it optimal to increase their holdings of capital.

On the macroeconomic and welfare effects of illegal ... Immigrants and Welfare Use. Nonimmigrants and undocumented immigrants are barred from receiving benefits. They are eligible, however, for public health, emergency services, and programs identified by the attorney general as necessary for the protection of life and safety. (Sources: Richardson and Wassem 2002, National
