In sociology, the East–West dichotomy is the perceived difference between the Eastern and Western worlds. Cultural rather than geographical in division, the boundaries of East and West are not fixed, but vary according to the criteria adopted by individuals using the term. Historically, Asia (excluding Siberia) was regarded as the East, and Europe was regarded as the West.

...

East and West may have myriad differences based on culture and education. These differences can be noted for the most part in people's behavior and attitudes. The major difference between eastern and western culture is that people in the east are more conservative and traditional than the general population in the west.

## **West Versus Far East Early Globalization And The Great**

East vs West Between the East and West, we can identify a number of differences. These differences stem from the culture, dress, religion, philosophy, sports, arts and languages. When we define the term East, it does not necessarily mean the direction in which the sunrises, but also the eastern hemisphere that includes a number of countries such as India, China, Japan, etc.

to difference in history, prevailing religions, political regimes and so on, and these differences are clearly seen in Western and Eastern approaches to education. 1.

## **As Far As the East is From the West — David G Collins**

Don't forget airport access I'd pick the far West Side over the far east Side any day of the week. Yes, the development is hard to live through but eventually it will abate. The proximity to the Hudson is a huge perk and, frankly, the subways on the west side are less crowded than those on the east side, though no doubt the new Second Avenue subway will ease some of that congestion.

The point being, God knew the distance between the poles could be measured, but you cannot measure the distance between the east and the west. The Hebrew word for East is kedem, meaning everlasting. 10 “He does not treat us as our sins deserve or repay us according to our iniquities. 11 For as high as the heavens are above the earth, so great ...

## **Which "side" of Manhattan is best: far east or far west?**

(01) East and West view the Trinity somewhat differently. The West tends to follow St. Thomas Aquinas and the Augustinian tradition, which looks upon the persons (hypostaseis) of the Trinity as relations of opposition within the divine essence (ousia), and which holds that it is the unity of the divine essence (ousia) itself that establishes the fact that there is only one God.
