Our parents couldn't teach us what they didn't know. As children, the lessons we learned from the adult relationships around us did not prepare us for our current adult love interests and challenges. Today men and women expect relationships to enhance the total quality of their lives, meeting both their practical and emotional needs.

**What Your Mother Couldn't Tell You and Your Father Didn't ...**

In our generational movement toward wholeness, women want to be more than mothers and homemakers and men aspire to loving relationships rather than simply being warriors and work machines. The age-old distinctions between male and female roles have blurred, and the rules of relationships have not yet caught up, creating confusion and frustration.
