Socialism is a political, social, and economic philosophy encompassing a range of economic and social systems characterised by social ownership of the means of production, as opposed to private ownership. It includes the political theories and movements associated with such systems. Social ownership can be public, collective, cooperative, or of equity. ...

Chinese Communists Are Funding Steve Bannon, Gettr, and ...
It's far more effective in Ukraine to make invasion expensive and not worth it than trying to outright push back the Russians out of Crimea too. Between a combination of costly conflict, sanctions taking a toll on the Russian economy and enough resistance, it soon becomes untenable for the Russians to continue. Or at least that's the hope.

Whats The Difference Between Ccp
There are many good guns out there. A stock Glock is reliable (unless, like myself, you bought one during when they had sloppier spring tolerances, but that was fun to diagnose/fix). I would try a Sig P320 or CZ P10C for a better comparison. The H&K VP9 is also good as well as any Walther (CCP M2 though, the original CCP needed a redesign).

For example, let's take a look at Guo Wengui, the obvious CCP agent behind Gettr and funder of Steve Bannon. What if a reputed Communist Chinese spy, who pretends to oppose Xi Jinping and says that 99.999 percent of CCP members are good, was behind a new social media app to capture the data of anti-Communist, conservative, MAGA Americans ...

John Stuart Mill (20 May 1806 – 7 May 1873) was an English philosopher, political economist, Member of Parliament (MP) and civil servant. One of the most influential thinkers in the history of classical liberalism, he contributed widely to social theory, political theory, and political economy. Dubbed "the most influential English-speaking philosopher of the nineteenth century", he conceived ...

There's a difference between the right for you and a few others to set up a group when you already know each other, and the right for you to search for those others by interest. Technically: Private groups are different from groups that are publicly searchable by or more of name/blurb/message content.
