Rated 2 out of 5 by Barb1205
from Whirlpool cabrio gas
dryer I bought this last
week and had it delivered
and installed Friday. It had
to be converted from gas to
propane which was a HUGE
headache. The whole dryer
had to be taken apart
including the drum removed
to convert it. 95% of the
time, the gas does not
light, and it has to be
turned off and on repeatedly
to get it to light.
