White Owl, Barn Owl - Nicola Davies - Google Books

The name means "white owl," but it's usually orangey-brown with colorful, banded wings, like Jareth has. It's famous for its masked, outlined face. We think the Barn Owl was hired for this role because he was the actor most available for the shoot (there are probably more working barn owls than other species), but it's an appropriate choice because the Barn has such character.

White Owl, Barn Owl by Nicola Davies - Goodreads

The barn owl (*Tyto alba*) is the most widely distributed species of owl in the world and one of the most widespread of all species of birds. It is also known as the common barn owl, to distinguish it from the other species in its family, *Tytonidae*, which forms one of the two main lineages of living owls, the other being the typical owls (*Strigidae*).
