A study by NYU's Steinhardt School of Culture, Education, and Human Development found that students of color and white students viewed minority teachers more highly than white teachers. But one of the key reasons black students tend to perform better with black teachers has to do with expectations.

### **White Teacher — Vivian Gussin Paley | Harvard University Press**

Although white teachers may feel that they are doing a service to children by sending them to someone identifiable, it's actually a backfire. Each time a child is sent to another adult in the building to manage behavior, the teacher loses a little power, no matter what race the child or teacher is.

a white teacher who has made a lot of mistakes, who didn't know where to go for help, who didn't even know what I didn't know, I can say that there's a whole wide world of places to turn now. My first year of teaching was in 1999-2000.

### **Dear White Teacher by Chrysanthius Lathan**

I was the old gentleman, imparting my history, culture, personal loves and triumphs, defeats and failures to young kinsman. Sometimes I fancied myself Tyrtæus, the Spartan poet, who counseled the youth to honor and loyalty. I never had this kind intimacy with a black student, and I know of no other white teacher who did. Teaching can be fun.
