The author takes us back in history and discusses the 1989 communism collapse that brought about financial markets liberalization and the abolishment of regulation in the United States ...

Whoops! Why Everyone Owes Everyone and No One Can Pay by ...

Whoops! or Why Everyone Owes Everyone And No One Can Pay, by John Lanchester, is a book about the 2008 world financial crisis and what caused it. The greatest triumph of Whoops! is that - without over-simplifying the details of what can appear (deliberately I think) to be a forbiddingly complex subject - it's a book that can be read and understood by /anyone/.
