The Reasons Why Married Women Cheat on Their Husbands What is it that drives women into someone else's arms, and what can men do to prevent it? An infidelity researcher has the answers.

Why Men Marry Some Women And Not Others - Frontpage
One woman's treasure is another woman's treasure, according to evolutionary biology. Single women are more attracted to you now that you're married. That's probably thanks to mate-choice copying, a biological process that exists across species, in which females are more attracted to males based on the endorsement of a third party. Now, this effect is less about home-wrecking and more about sharing notes, according to most studies.

Why men date but never marry extremely beautiful women ...
The reasons men marry in 2012 might be the same as those from 1922. Lewis tells us how George Babbitt was "hooked" by a woman, not through sex, but through tears: "One evening when he was weary and soft-minded, he saw that she had been weeping. She had been left out of a party given by [a friend].
