Winning arguments : from Aristotle to Obama : everything ...

Socrates fights the young eristic with eristical arguments of his own—a move countenanced in Aristotle's Topics. The last chapter treats the Meno. I argue, against one common opinion, that anamnesis and the hypothetical method do not make the dialogue “transitional”, and do not make Socrates more confident in the truth of his conclusions.

Use the Socratic Method To Win Any Argument

function argument is a good way to approach the question how to live well. 2. The Function Argument and its Critics Aristotle opens his version of the argument with these words: Presumably, however, to say that happiness is the chief good seems a platitude, and a clearer account of what it is is still desired. This might perhaps be given, if we ...

Amazon.co.uk:Customer reviews: Winning Arguments: From ...

Aristotle, the father of logic, recognized that attacking your debate partner and not their point of view is a logical fallacy, a flawed form of argumentation. It's called argumentum ad hominem . Engaging in ad hominem attack means that you have no constructive counter-arguments to defend your point of view, so you must hit below the belt by abusively attacking who they are as a person.
