Wicked (Maguire novel) - Wikipedia

Wizard is a truly remarkable biography of a remarkable man. The expression 'ahead of his time' is used too loosely and too often today but in the case of Nikola Tesla 'ahead of his time' barely describes the genius of this man. Marc Seifer makes us understand not only the man but the times in which he lived.

If you separate the book into three parts early life/career, career already set, and his final years. I would say that I liked the first part and the third part the best. The book dragged on since the book covered the goings on year by year. only to go forward at times to make a point. then would go back to the year where the author left off.
