New Research Reveals Society's Attitude About Gender ...

Women in ancient and imperial China were restricted from participating in various realms of social life, through social stipulations that they remain indoors, whilst outside business should be conducted by men. The strict division of the sexes, apparent in the policy that "men plow, women weave" (Chinese: ???), partitioned male and female histories as early as the Zhou dynasty, with ...

The Body and Society: Men, Women, and Sexual Renunciation ...

The authors assist students in connecting a central element of their own lives — their personal gender experiences — with the social and political world in which they live. This popular book looks at the ways in which gender is socially constructed, how sexism and gender inequality affect men and women, and how other variables compound the problem of gender inequality.
