OHCHR | Special Rapporteur on extreme poverty and human rights

Poverty is not only deprivation of economic or material resources but a violation of human dignity too. Indeed, no social phenomenon is as comprehensive in its assault on human rights as poverty. Poverty erodes or nullifies economic and social rights such as the right to health, adequate housing, food and safe water, and the right to education.

World Poverty and Human Rights. Extract. Despite a high and growing global average income, billions of human beings are still condemned to life long severe poverty, with all its attendant evils of low life expectancy, social exclusion, ill health, illiteracy, dependency, and effective enslavement.

World Poverty and Human Rights by Thomas W. Pogge

That world poverty is an ongoing harm we inflict seems completely incredible to most citizens of the affluent countries. We call it tragic that the basic human rights of so many remain unfulfilled, and are willing to admit that we should do more to help. But it is unthinkable to us that we

World Poverty and Human Rights | Ethics & International ...
Poverty and Human Rights Thomas Pogge Human rights would be fully realized, if all human beings had secure access to the objects of these rights. Our world is today very far from this ideal. Piecing together the current global record, we find that most of the current massive underfulfillment of human rights is more or less directly connected to

World Poverty and Human Rights - Wikipedia

Part social science, part philosophy, World Poverty and Human Rights thoroughly outlines why citizens of the developed world have an ethical duty to help the global poor and makes modest policy recommendations to alleviate their maladies. Although the book can be a bit dense at times, it reveals the culpability of the global order where Third World poverty is concerned and why the current approach to this issue seems to be falling short.

Press 2007.

Thomas Pogge - Wikipedia

We are violating the rights of the world poor through institutional arrangements on the supranational level. Individual beings have the duty not to create any institutional arrangements that impede human rights and to protect human rights if the individual has assumed a position that implies doing so.

(such as Western Europeans) are currently harming the world's poor (like those in sub-Saharan Africa).

World poverty and human rights : cosmopolitan ...

Poverty is an urgent human rights concern. For those living in extreme poverty, many human rights are out of reach.

Among many other deprivations, they often lack access to education, health services or safe drinking water and basic sanitation.
