Worldshaker by Richard Harland – The Ranting Dragon

Having learned Worldshaker's dark secrets, hidden for generations by his family, he must decide whether to help the Filthies. Harland's steampunk alternate history is filled with oppression, class struggle, and war, showing their devastation on a personal level through Col's privileged eyes.

Worldshaker | Book by Richard Harland | Official Publisher ...

review 1: Very interesting book. I loved the creativity on the setting and the characters. The only thing that got me was the time period a little confusing and while reading the book it is a little difficult to get a good picture of the particular scene.

WorldShaker by Richard Harland Worldshaker is my first taste of the recently new and popular genre, steampunk. Steampunk is defined as a sub-genre of science fiction and fantasy that incorporates advanced Victorian technology. The stories usually take place in an era when steam power is used and so are often set in the 19th century.
