If you can apply these tips to the critiques you give, then you'll better position yourself to receive helpful and respectful critiques in return.

The Writer and the Critic

I mean, writing and reading and watching movies would be the kind of combined answer. Some of the greatest writers start off by imitating other writers, and then deviating from that. Sometimes it's good to read past critics just to see what you can give yourself permission to do in a way. And also just reading non film writers.
