Writers on comics scriptwriting. 2 (Book, 2004) [WorldCat.org]

Writers on comics scriptwriting is one of those under rated books that sadly has went under the radar for some reason. Although 14/15 years old now at the time of writing this review I'm not surprised that it was quite hard to find a way to write comic scripts and how people do them during that era (for example when interviewed in the book some participants still used the marvel method of ...

Writing Comics: Scripting Programs - iFanboy

While much of this article applies no matter what media you plan to work in, and I'm sure screenwriters will be interested in the list at the end too, I'm focusing on scriptwriting for comic books because I can both draw and write. But also because it is an underserved part of the scriptwriting software market.

Writers on comics scriptwriting (Book, 1999) [WorldCat.org]

Another nice script writing program is Celtx. It's free and really great at organizing comic scripts. It also offers their studio feature that allows you to backup multiple revisions of a document to their website and you can also share documents with other writers as well. Nifty program (Linux, Mac, Windows) and website, check it out - Celtx
