1. Your passion fades. Everybody struggles with passion from time to time, but burnout moves you into a place of sustained motivation loss. Think about it, for those of you in leadership or ministry, you used to have a passion for what you did. Passion got you into leadership, and it's one of the factors that makes both life and leadership wonderful over a long period of time.

Back in the day, gray hair used to be associated with wisdom and knowledge. In many places, it still is, for men at least. But our society still seems to have a collective issue with the natural aging process of the female human being, so reaching for the dye as soon as the first silvery sprouts appear is de rigeur for the vast majority of women under the age of 60.
