(PDF) Approaches and models for change management

Janie B. Butts Introduction ... structures are linked by means of research anal-ysis of data (discussed briefl y in the section on functions of theory in this chapter). Metaparadigm A metaparadigm is the world view of a discipline—the view that distinguishes the

Ysis Of Structures By B

ysis of strongly curved plane beams is given in [49, 50, 51], while nonlinear analysis is considered in [52]. The linear response of spatial beams is analyzed in [45]. Here, we will consider the nonlinear behavior of prismatic BE beams of which some are strongly curved, i.e., $Kd > 0.1$, either locally or globally. To the best of our knowledge, this is
