Wise Bridge Quotes

Since the ancient Chinese believed that superior men could live very long, it is natural that the Daoists credited their master with an uncommon longevity, but this is perhaps a rather late tradition because Zhuangzi, the Daoist sage of the 4th century bce, still speaks of the death of Laozi without emphasizing an unusual longevity.

Queen Mother of the West - Wikipedia

Laozi (Lao-tzu, fl. 6th cn. B.C.E.) Laozi is the name of a legendary Daoist philosopher, the alternate title of the early Chinese text better known in the West as the Daodejing, and the moniker of a deity in the pantheon of organized “religious Daoism” that arose during the later Han dynasty (25-220 C.E.). Laozi is the pinyin romanization for the Chinese characters which mean “Old Master.”
