This blog is looking for wisdom, to have and to share. It is also looking for other rare character traits like good humor, courage, and honor. It is not an easy road, because all of us fall short. But God is love, forgiveness and grace. Those who believe in Him and repent of their sins have the promise of His Holy Spirit to guide us and show us the Way.

Australia has the lowest mortality rate and the second lowest incidence of cervical cancer in the world. The success of the cervical screening program is dependent upon the recruitment of women: 85% of women in Australia who develop cervical cancer have either not had a Papanicolaou (Pap) test or been inadequately screened in the past 10 years.

RACGP - Cervical cancer

Since the first description of the “ acute respiratory distress syndrome ” (ARDS) by Ashbaugh et al in 1967, pediatric intensivists have recognized that ARDS in children is different from ARDS in adults. In the absence of identification of these differences, however, children have been characterized as having acute lung injury (ALI) and ARDS based on the adult definitions originating from the ...
